

# Sailor Moon R – The Movie: *“The Promise of the Rose”*

## ----- Introduction -----

**Serena:** “Hi. I’m Serena, an ordinary teenage schoolgirl...who just happens to own the world’s most powerful compact. With the help of my magical powers, I become the Champion of Justice, known as...Sailor Moon!”

**Sailor Moon:** “Hey, wanna meet my friends?”

**Sailor Moon:** “This is Amy. She’s the smartest person in our school: a real brainiac.

We also know her as...Sailor Mercury!”

**Sailor Moon:** “And this is Raye. She has a really bad temper, but she’s cool. She’s a psychic.

She becomes...Sailor Mars!”

**Sailor Moon:** “My friend Lita is the best cook, but she really cooks when it comes to the martial arts.

She is...Sailor Jupiter!”

**Sailor Moon:** “Last but not least is Mina with my cat, Luna, and her cat, Artemis. She’s famous as Sailor V, but we call her...Sailor Venus!”

**Sailor Moon:** “We are one great team!”

**Sailor Scouts:** “We are the Sailor Scouts!”

**Sailor Moon:** “Our job’s to protect the planet and insure peace on Earth.”

**Sailor Scouts:** “Yeah!”

## ----- Opening Sequence -----

**Young Darien:** “Here, Fiore. This rose is for you.”

**Young Fiore:** “Wow. Thank you. Nobody’s ever given me a gift before. I’ll never forget this, Darien, and someday, I’ll be back with flowers for you.”

**Young Darien:** “Why do you have to go away?”

**Young Fiore:** “Don’t be sad. Someday, I’ll be back with flowers for you. I promise.”

-----  
**Serena:** “Forget-Me-Not.”

**Darien:** “What? Huh?”

**Serena:** “I said this flower’s called Forget-Me-Not.”

**Darien:** “Oh, yeah. Forget-Me-Nots. They’re nice.”

**Serena:** “Know what they stand for?”

**Darien:** “No.”

**Serena:** “They stand for true love in the language of flowers.”

**Darien:** “The language of...uh... hmmm”

**Darien:** “Nobody back there.” “Okay...” \*clears throat\*

**Rini:** “Oh yuck. Serena’s getting kissed. How gross!”

**Raye:** “Look at Miss Fish lips, all puckered up like some...”

**Amy:** “This isn’t right guys... were spying... stop... come on... let’s go”

**Rini:** “HEY...”

**Mina:** “Shhhhhhh! You’ll ruin everything.”

**Amy:** “We’re not being a very good example for Rini. We should go”

**Lita:** “YOU bail when the best part’s coming, but we’re staying.”

**Amy:** “Huh?”

**Raye:** “Would you guys knock it off? They’re gonna hear us.”

**Darien:** “Hmm...uh oh”

**Serena:** “AAAH!”

**Girls:** “Ha-ha ha!”

**Serena:** “Ooh! You snoops are gonna pay!”

**Serena:** “Darien? Hey, where’d ya go?”

-----  
**Darien:** “It’s so nice here. The flowers smell so nice. The fountain’s so soothing. I never noticed how the flowers make me feel so calm.”

**Darien:** “Huh?”

**Darien:** “Hrmmm, How weird.”

**Darien:** “Flower petals?”

**Serena:** “HA-ha! Neat-o!”

**Serena:** “It’s snowing flowers!”

**Rini:** “Wow, it smells so good!”

**Serena:** “Wow, it’s so lovely! Whee!”

**Serena:** “Darien, did you see?”

**Darien:** “What?”

**Serena:** “It was raining rose petals!”

**Fiore:** “Hey...”

**Serena:** “Huh?”

**Fiore:** “It’s been a long time, Darien...too long.”

**Serena:** “Are you friends?”

**Darien:** “Huh? No.”

**Fiore:** “I never forgot.”

**Darien:** “Wha..?”

**Fiore:** “It took me a long time...but I kept my promise. I finally found a flower worthy of our friendship.”

**Darien:** “Friendship?”

**Fiore:** “That’s right. I vowed to return with flowers for you, too.”

**Darien:** "Flowers?"

**Fiore:** "It's still the most beautiful gift anyone has ever given me, Darien."

**Darien:** "I'm sorry. I have no idea what you're talking about."

**Fiore:** "You must remember. I promised you."

**Serena:** "Okay. You're done. I need my pumpkin to myself now. Tata Strange-oid."

**Fiore:** "Nice try."

**Serena:** "Huh?"

**Darien:** "Huh?"

**Darien:** "Serena!"

**Girls:** "No!"

**Raye:** "Coward! Come back here!"

**Lita:** "You should be ashamed! It's not right to push people!"

**Fiore:** "No one's going to prevent me from keeping my promise...no one!"

**Girls:** "Ahhh!!!"

**Darien:** "Flower petals again?!"

**Amy:** "There's so many!"

**Serena:** "He's going away."

**Darien:** "But to where?!"

**Mina:** "He vanished!"

**Lita:** "Why did he come?"

**Darien:** "That's Fiore. Has to be."

**Serena:** "What's going on?"

-----  
**News Reporter:** "And finally, we have news from the observatory that, this afternoon, a minor planet has been observed approaching the Earth's orbit at an unusually high speed. Around 11:20 tomorrow evening, it should be around twenty-five million kilometers from Earth: still a safe distance in astronomical terms. Anyone with a telescope should be able to spot it..."

**Artemis:** "The observatory's equipment has tracked it, too."

**Lita:** "You guys look really worried. If that planet keeps its distance, aren't we safe?"

**Luna:** "We're not sure it will."

**Mina:** "Did you pick something up, Artemis?"

**Artemis:** "Computer findings point to yes."

**Artemis:** "We've determined that the planet's six hundred meters long...a pretty good size, actually."

**Amy:** "Bigger than I thought. If it plummets to Earth, it could be huge trouble."

**Artemis:** "Right, but slim chance there. The planet looks big, but its mass is pretty small. It's as if it's hollow. It'd most likely burn out before it reached Earth."

**Raye:** "So what's got you worked up?"

**Luna:** "The planet's got a mega-high plant energy reading."

**Girls:** "Huh?"

**Mina:** "Yeah right, so there might be some unfriendly ferns planning to take over our planet. Luna, you're being paranoid."

**Lita:** "And if they were going to invade us, wouldn't they be a little more discrete?"

**Mina:** "Or else...maybe they just wanna make some new friends."

**Artemis:** "It's hard to tell."

**Serena:** "Ooh, I wonder what it is."

**Everyone:** "Hrmmm?"

**Serena:** "Ooh! There seems to be some kind of connection between those two."

**Serena:** "Ooh, Darien's not allowed to have secrets."

**Raye:** "Why? Because you can't keep one to save your life?"

**Lita:** "I think that guy was just some kind of wacko."

**Mina:** "Maybe Serena's right. There did seem to be some kind of connection between them."

**Lita:** "Serena, did Darien mention this guy?"

**Serena:** "Uh...no. We don't talk about his past very much, I guess. He says it was too lonely."

**Amy:** "That's strange, seeing how everybody's in love with him."

**Raye:** "Huh?"

**Raye:** "Everybody including you?"

**Amy:** "Of course not."

**Raye:** "Sure".

**Amy:** "I just said he's popular."

**Raye:** "I've seen the way you look at him."

**Luna:** "Can't they ever be serious?"

**Artemis:** "Doubtful."

-----  
**Serena:** "I'm so sorry about your parents. So...you've been alone ever since?"

**Darien:** "Yes."

**Serena:** "You were so young, too. Were you always...lonely?"

**Darien:** "Very much."

**Serena:** "Didn't you have friends?"

**Darien:** "I do now, and that's what counts. The past is over. Since I met you, I haven't had a single lonely day. You're my family now, Serena."

**Serena:** "Oh, Darien..."

**Serena:** "You're right about that, Darien. We are family now, and that means, I'll do all I can to protect you...forever."

-----  
**Mina:** "So that was your first love?"

**Lita:** "My first crush was on the boy from the grocery store."

**Mina:** "Couldn't you find a place more exciting?"

**Raye:** "Ha-ha ha..."

**Mina:** "Honestly, all you talk about is just looking."

**Serena:** "*Darien...*"

-----  
**Serena:** "Being a good student AND a superhero is totally exhausting."

**Luna:** "Please, try babysitting a bunch of wannabe Scouts who do nothing but gossip."

**Artemis:** "Hmm..."

*(The others laugh.)*

**Rini:** "I forgot. Thanks for lunch, Lita."

**Lita:** "You're welcome, Rini."

**Raye:** "You love your pizza, don't you?"

**Rini:** "You bet."

**Lita & Rini:** "Huh?"

**Lita:** "Guys, wait up!"

**Girls:** "Huh?"

**Lita:** "What's a matter, Raye?"

**Raye:** "I feel it! There's something very bad close by!"

**Rini:** "Wait for me!"

**Rini:** "Don't leave me! How could you forget me?!"

-----  
**Mina:** "Oh no!"

**Serena:** "Eww..."

**Mina:** "What happened to all these people?"

**Lita:** "I can't believe what I'm seeing!"

**Artemis:** "Their energy's been stolen!"

**Serena:** "Are you sure?"

**Luna:** "Sailors, be super-alert."

**Mina:** "I'm sure the culprit's gone by now. Probably gone to find more victims."

**Artemis:** "Or plan the next attack."

**Serena:** "He's got her!"

**Mina:** "Let me GO!!"

**Amy:** "They're all...covered with vines!"

**Luna:** "They seem to be everywhere."

**Lita:** "But where did they come from?"

**Amy:** "The plants are controlling these people!"

**Mina:** "Oh no!"

**Amy:** "Ah!"

**Serena:** "Aah!"

**Lita:** "Take that, plant-breath!"

**Serena:** "Ooh! Let go of my nose!"

**Raye:** "*EVIL SPIRITS.....DISPERSE!*"

**Raye:** "Yah!"

**Serena:** "That's a load off."

**Amy:** "Hold on! I'm getting a reading on the energy source that controls the vines!"

**Amy:** "Almost there..."

**Amy:** "Got it!"

**Amy:** "There it is!"

**Serena:** "A puny flower?"

**Serena:** "Eww!"

**Rini:** "AAH!"

**Rini:** "That plant can move!"

**Serena:** "Stop that wicked weed!"

**Raye:** "It's after Rini! RUN!"

**Lita:** "Rini, start running!"

**Rini:** "AAAH!"

**Serena:** "I'm coming, Rini!"

**Raye:** "Serena!"

**Amy:** "Oh no! What is it?!"

**Raye:** "*EVIL SPIRIT DISPERSE!*"

**Amy:** "I can't fight it!"

**Raye:** "It's draining us!"

**Mina:** "It's got Amy and Raye! It's the one who stole people's energy before!"

**Luna:** "We need Scout power!"

**Mina:** "*VENUS STAR POWER!*"

**Lita:** "*JUPITER STAR POWER!*"

**Amy & Raye:** "Get this weed off us!"

**Sailor Venus:** "*VENUS LOVE CHAIN ENCIRCLE!*"

**Sailor Jupiter:** "*ya....JUPITER THUNDERCLAP ZAP!*"

**Artemis:** "Let's hope we're not too late!"

**Luna:** "It's still alive!"

**Sailor Jupiter:** "That's one stubborn weed!"

**Creature:** "Ha-ha ha! Let's play!"

**Raye:** "*MARS STAR POWER!*"

**Amy:** "*MERCURY STAR POWER!*"

**Creature:** "Here I come, ready or not!"

**Sailor Mars:** "*MARS FIREBALL FLASH!*"

**Sailor Jupiter:** "SUPREME THUNDER CRASH!"

---

**Rini:** "Whoa. Boy, she sleeps like she's dead..."

**Rini:** "...but at least she doesn't snore. Come on, Serena. Wake up."

**Rini:** "The Scouts and I haven't got all day, you know. You're really starting to bore me with this sleeping routine."

**Serena:** "WHOA!"

**Rini:** "About time you woke up!"

**Serena:** "Are you trying to kill me?!"

**Serena:** "I wasn't...sleeping!"

**Rini:** "Could've fooled me. Didn't want you to miss the fight."

**Serena:** "It's still on?"

**Rini:** "Yeah and they need help."

**Serena:** "Ooh!"

**Serena:** "MOON CRYSTAL...power!"

**Rini:** "Oh, sleepzoid..."

**Serena:** "I'm a little busy here! What is it, you brat?!"

**Rini:** "Thanks for saving my life."

**Rini:** "You're a pal. Now do your thing, Moon mama!"

**Serena:** "You got it. MOON CRYSTAL POWER!"

---

**Sailor Mars:** "MARS CELESTIAL FIRE SURROUND!"

**Sailor Jupiter:** "That plant's got turbo drive!"

**Artemis:** "She caught 'em."

**Luna:** "We've got to get them out of there!"

**Sailor Moon:** "Look out, stink weed! How dare you use your floral beauty in such an evil way! Who knows what compost heap you come from, but you're not welcome here...and believe me, we get to the root of every problem! I'm Sailor Moon! I will triumph over evil, and that means you!"

**Luna:** "Sailor Moon!"

**Sailor Moon:** "I know! That's me."

**Sailor Mercury:** "SHINE AQUA ILLUSION!"

**Sailor Mercury:** "Sailor Moon, use the Scepter!"

**Sailor Moon:** "MOON PRINCESS ELIMINATION!"

**Sailor Jupiter:** "Good riddance!"

**Fiore:** "Impressive."

**Fiore:** "I never would have pegged you nitwits as having such awesome power."

**Sailor Moon:** "YOU'RE behind this?!"

**Fiore:** "Uh huh, but as you well know, no one ever works completely alone."

**Artemis:** "Who are you?!"

**Artemis:** "Oh no!"

**Luna:** "The Kisenian Blossom!"

**Kisenian:** "Quite the little welcoming committee. Thank you, Fiore."

**Fiore:** "Hmm, I believe this planet's perfect for cultivating our plans. The energy is very good here."

**Kisenian:** "You know what I always say. Let's put the 'petal' to the metal."

**Fiore:** "Gladly."

**Sailor Jupiter:** "That's not funny!"

**Sailor Jupiter:** "You weed!"

**Sailor Moon:** "Jupiter!"

**Fiore:** "Ha-ha ha! We've done the Sailor Scout hash."

**Fiore:** "Now let's try the Moon-kabobs!"

**Fiore:** "Huh?"

**Tuxedo Mask:** "Nothing good will ever grow in a garden full of darkness, Fiore. We all know it."

**Sailor Moon:** "The guy can wear a cape. Whoo!"

**Fiore:** "A red rose!"

**Fiore:** "Darien! You remembered the promise we made all those years ago!"

**Tuxedo Mask:** "Fiore, your heart was pure, then, but no longer."

**Fiore:** "And you swore me eternal friendship, but now you choose this dingbat over me, Darien!"

**Tuxedo Mask:** "She is my friend, as you are. If you believe in our friendship, Fiore, you must trust Sailor Moon and the people here."

**Fiore:** "If you say so."

**Tuxedo Mask:** "Believe me, Fiore."

**Fiore:** "This girl has you bamboozled, Darien!"

**Tuxedo Mask:** "Sailor Moon, run!"

**Tuxedo Mask:** "Fiore, stop!"

**Fiore:** "Why should I?!"

**Tuxedo Mask:** "The reason Earth is so appealing to you is because the Sailor Scouts drive out the negative forces!"

**Fiore:** "They ARE the negative forces!"

**Sailor Moon:** "Be careful, my masked man!"

**Tuxedo Mask:** "Fiore, no!"

**Sailor Moon:** "Oh no..."

**Fiore:** "Darien!"

**Sailor Moon:** "Tuxedo Mask! You saved my life!"

**Sailor Moon:** "Oh, my love..."

**Fiore:** "I can't lose him! He's the only friend I've ever had!"

**Sailor Moon:** "What?"

**Sailor Moon:** "Give him back!"

**Luna:** "Sailor Moon!"

**Sailor Moon:** "GIVE HIM BACK!"  
**Sailor Moon:** "No! This can't be!"  
**Sailor Moon:** "Tuxedo...Tuxedo...oh no"

-----  
**Doctor:** "I'm afraid your parents did not survive the accident. We did everything we could to save them, but it was too late."

**Young Darien:** "Mother...Father...why did you have to leave me? Why'd you leave me all alone?"

**Young Fiore:** "You're not alone."

**Young Fiore:** "I'm here with you."

-----  
**Tuxedo Mask:** "Fiore..."

**Fiore:** "You need to rest now, Darien. We can talk later."

**Tuxedo Mask:** "You're real. You came back. I thought you were someone I just made up to ease the pain of my orphanage loneliness."

**Fiore:** "I'm real. Our friendship is what sustained me all this time."

-----  
**Fiore:** "Before I came to the orphanage, I was drifting all alone in space. I had no idea where or when I was born. Finally, after a long and lonely journey, I was carried to Earth."

**Fiore:** "As soon as I saw your eyes, I knew it was your good energy that had drawn me. We became friends immediately: two lonely boys. But I wasn't able to stay on Earth, for my life there would've been too short. Leaving was the hardest thing I've ever done."

**Young Fiore:** "Thank you, Darien."

**Fiore:** "That simple flower, a red rose, was the first and only gift I ever received."

**Young Fiore:** "I'll search the universe for the perfect flower to bring back."

**Fiore:** "I looked everywhere, and eventually I found a star where the perfect blossom grew. Finally, I could see you again."

**Fiore:** "When I picked the Kisenian Blossom, a thought struck me. On Earth, people had left my friend Darien all alone. I vowed then and there that they must pay. You deserved so much better."

-----  
**Tuxedo Mask:** "You're wrong. I have family on Earth. Let me go! I'm happy there, Fiore. That's where I belong."

**Fiore:** "No longer. You belong here...with me your true friend, Darien."

**Tuxedo Mask:** "Fiore..."

**Fiore:** "From now on, only I will give you flowers."

-----  
**Sailor Venus:** "So the Kisenian Blossom comes from another galaxy?"

**Sailor Jupiter:** "And she's the one who sent that vicious vine vamp before?"

**Artemis:** "That's right! The Kisenian Blossom is one of the most dangerous creatures in the universe: a most wicked weed, indeed!"

**Luna:** "Her aim is to try to gather energy from every star and planet. This was the first time we'd ever laid eyes on her, but we'd heard the legend often when we lived in the Moon Kingdom. On her own Kisenian's just another flower..."

**Artemis:** "...so she needs someone to act on her behalf: a kind of pawn."

**Luna:** "So she waits for someone with a vulnerable heart to come along."

**Sailor Jupiter:** "And she somehow puts him under her spell."

**Artemis:** "Exactly. She plants the seeds of negativity and turns a pure heart into a dark one, and from there, her power will grow until she destroys everything. Once Kisenian is finished with a particular star or planet, the pawn becomes dispensable and the planet filled with hatred."

**Sailor Jupiter:** "So poor Fiore's just another one of her victims."

**Artemis:** "She's got him brainwashed, rinsed, and dried."

**Sailor Mercury:** "I've analyzed the energy of that flower we fought with, and I've found the same kind of energy is given off by planet that is approaching the Earth."

**Sailor Jupiter:** "Then we've gotta go after her!"

**Artemis:** "And fast! She must be stopped!"

**Luna:** "The future of our planet depends on you Scouts."

**Sailor Jupiter:** "Let's make that planet mulch!"

**Sailor Venus:** "Remember, Tuxedo Mask's with them. We've got to make sure we get him out of there safe and sound."

**Sailor Moon:** "There's no way."

**Everyone:** "Huh?!"

**Sailor Moon:** "It's too dangerous. We're not going anywhere. It's my fault, and I won't lose any more friends. I'm not strong enough. Tuxedo...sorry I'm a wimp who needs protection."

**Sailor Mars:** "That's not true!"

**Rini:** "Luna Ball, what's with the wimp talk?! Work your magic on Sailor Moon!"

**Rini:** "May I remind you you're a superhero? Bang!"

**Rini:** "Why is it do you think we fight for you?"

**Sailor Moon:** "Mental void?"

**Sailor Jupiter:** "Because we value your friendship."

**Sailor Venus:** "Yeah and friends will always fight on the same side."

**Sailor Mercury:** "Because you brought us together. You and Tuxedo keep us together."

**Sailor Mars:** "And we can't let our friend Tuxedo go."

-----  
**Artemis:** "There's trouble brewing fast! SAILORS!"

**Luna:** "TELEPORT!"

**Rini:** "Mama, Sailor Scouts, come back safe you guys."

-----  
**Sailor Mercury:** "Target ahead!"

**Sailor Venus:** "Weird. The entire planet's covered in pink flowers."  
**Sailor Mercury:** "Enemy on turbo approach!"  
**Sailor Jupiter:** "Man! We're sitting ducks!"  
**Sailor Venus:** "Hold on! Got a plan!"  
**Sailor Scouts:** "Okay! GO!"  
**Sailor Venus:** "*SAILOR PLANET...!*"  
**Creature:** "Hm... hm... hm..."  
**Sailor Scouts:** "...ATTACK!"  
**Sailor Moon:** "AAAH!"  
**Sailor Moon:** "...or not."  
**Sailor Moon:** "Ohhhh."  
**Sailor Jupiter:** "What is that, Mercury?"  
**Sailor Mercury:** "Hang on. I'm analyzing it now."  
**Sailor Mercury:** "Looks like the headquarters."  
**Sailor Mercury:** "And Tuxedo Mask's there!"  
**Sailor Moon:** "Then let's go!"  
**Sailor Jupiter:** "Wait! It could be a trap."  
**Sailor Moon:** "Oh!"  
**Fiore:** "You've been trained well, Scouts..."  
**Fiore:** "...but rest assured, I'd never use my friend as bait...at least, not for such an easy catch..."  
**Sailor Moon:** "It's him!"  
**Fiore:** "...although I didn't think you'd actually come. You don't strike me as that loyal."  
**Sailor Moon:** "Hey, Fern Boy! Give Tuxedo back to us!"  
**Fiore:** "I will release him. I'll take him back to Earth myself...but not now. We're not ready."  
**Sailor Mars:** "Ready for what?"  
**Fiore:** "To set our plan in motion. These are the seeds of my flower, and pretty soon, we will be close enough to plant them on Earth: millions of pods, each containing the seeds of our power. They'll grow on any surface, and before you know it, Earth will be carpeted by Kisenian Blossoms!"  
**Sailor Mercury:** "And the Kisenian Blossoms feed on..."  
**Fiore:** "Energy! The human race will be sucked dry and become extinct!"  
**Sailor Mars:** "Not if I can help it!"  
**Sailor Jupiter:** "He disappeared again."  
**Sailor Venus:** "What's wrong?"  
**Sailor Mercury:** "We're surrounded!"  
**Sailor Mercury:** "There are negative forces all around us!"  
**Sailor Mars:** "Where? Where?"  
**Sailor Moon:** "I can feel its negativity!"  
**Sailor Mercury:** "Oh no! They're multiplying!"  
**Sailor Venus:** "The flowers..."  
**Sailor Venus:** "Sailor Moon, let's nip this in the bud with your Moon Scepter. Think you can do it?"  
**Sailor Moon:** "You bet!"  
**Sailor Venus:** "Get ready to cover, Scouts!"  
**Sailor Jupiter:** "Let's wilt these witches! *SUPREME THUNDER CRASH!*"  
**Sailor Venus:** "*VENUS CRESCENT BEAM SMASH!*"  
**Sailor Mercury:** "*SHINE AQUA ILLUSION!*"  
**Sailor Mars:** "*MARS FIREBALL FLASH!*"  
**Sailor Moon:** "*MOON PRINCESS ELIMINATION!*"  
**Fiore:** "Better retreat, regroup and really nail them!"  
**Sailor Mercury:** "Watch out, you guys! The flowers are fixing to increase their fighting power!"  
**Fiore:** "So long, Sailor sweethearts!"  
**Sailor Jupiter:** "They're multiplying!"  
**Sailor Venus:** "There are too many!"  
**Sailor Mars:** "SAILOR MOON, MOVE!"  
**Sailor Moon:** "No! I don't believe this! Oh please, you guys! Don't do this! I need you! I can't do this by myself."  
**Fiore:** "What a coward!"  
**Fiore:** "I saw how you abandoned your so-called friends! What a wimp!"  
**Sailor Moon:** "*MOON PRINCESS...!*"  
**Fiore:** "STOP!"  
**Sailor Moon:** "Oh no!"  
**Fiore:** "Sailor Moon, surrender! Hand over your magic wand or lose your pals!"  
**Sailor Moon:** "STOP!"  
**Sailor Moon:** "You're so mean."  
**Fiore:** "All's fair in love and war, Princess. I'm daring you: either your Scepter...or your fellow Scouts. It's your call."  
**Sailor Mars:** "Not the Scepter. You can never give it up."  
**Sailor Venus:** "Don't let him use us against you."  
**Sailor Mercury:** "The Scepter belongs in your hands only."  
**Sailor Jupiter:** "You cannot surrender it, not even for us."  
**Fiore:** "What's your choice?! You're gonna abandon them again?"  
**Sailor Moon:** "Never... you win... I'm sorry. I can't turn my back on them. Without my friends, it's not the same. I give up."  
**Sailor Mars:** "Coward! Fight them!"  
**Sailor Moon:** "I can't. I know I can beat them... and, then you'll get hurt...and I couldn't bear that."  
**Sailor Moon:** "You guys!"  
**Fiore:** "What's happening to me? I'm not used to these emotions."  
**Kisenian:** "Fiore, she's tricked you. All she wants is for the Scouts to help her take Darien away from you again."  
**Fiore:** "My friend. She can't have him!"

**Kisenian:** "If you help me fight her, I'll make sure Darien remembers your special bond, but your friendship with him will never come back to life until Sailor Moon and the Sailor Scouts are gone!"

**Kisenian:** "Together...we are invincible!"

-----  
**Tuxedo Mask:** "You are not my friend."

-----  
**Fiore:** "Raise your hands if you want to try this energy."

**Fiore:** "You can wail all you want, but my followers won't give up until I tell them, so give up your claim on Darien's heart, and I'll tell them to stop! You don't know what it's like to be lonely without true friends, Sailor Moon! Or you wouldn't try to take Darien away!"

-----  
**Student #1:** "All she ever does is study. She's such a bookworm."

**Student #2:** "Yeah, Straight-A Amy, the world's smartest loner."

-----  
**Sailor Moon:** "Help!"

**Fiore:** "You don't know what it's like to have everyone shun you because you're different, Sailor Moon!"

-----  
**Girl:** "I heard she karate-chopped a teacher at her old school."

**Boy:** "I give her two weeks."

**Girl:** "Why bother trying to make friends? She'll just get kicked out anyway."

-----  
**Fiore:** "Maybe you'll understand what Darien means to me...if you get a glimpse of true loneliness!"

-----  
**Girl #1:** "That girl is so shy. She never says a word."

**Girl #2:** "Shy? You mean stuck up."

**Boy:** "Well, whatever she is, she looks like a total snore."

**Girl #1:** "Oh, look at her trying to look like Sailor V."

**Girls:** "Ha-ha ha!"

-----  
**Fiore:** "Do you know how it feels never to have anyone to talk to: to share things with?!"

-----  
**Girl #1:** "I heard that girl can predict stuff."

**Girl #2:** "Sounds kinda spooky to me."

**Girl #1:** "Yeah and she spends all her time with those weird blackbirds. She doesn't seem to like people."

**Girl #2:** "Probably thinks she's too good for us. Humph."

-----  
**Fiore:** "You're history, Sailor Moon."

**Fiore:** "Adios, thief of hearts."

**Sailor Venus:** "Don't! DON'T! Sailor Moon's done more for me than anyone!"

**Sailor Jupiter:** "She's the best friend you could wish for. Just ask Darien. And she could be your friend, too."

**Sailor Mercury:** "You could join us, Fiore. Put your powers towards building more friendships."

**Fiore:** "You think I'm a dope? You're just trying to trick me into letting her go so she can take Darien away!"

**Sailor Mars:** "You're the one who's been tricked! Kisenian Blossom wants to rule alone. She'll destroy you, Fiore. Once she gets what she wants, you're history, and Darien will be, too."

**Fiore:** "NO! Kisenian is no traitor! She'll find a place for Darien in her plans...and Sailor Moon...is the big obstacle to making that happen. TIME TO DIE!"

**Sailor Venus:** "Sailor Moon!"

**Sailor Jupiter:** "Stop it!"

**Sailor Mars:** "She's helpless!"

**Sailor Mercury:** "Sailor Moon!"

**Fiore:** "The red rose..."

**Fiore:** "You choose them?"

**Tuxedo Mask:** "Yes."

**Sailor Venus:** "He got out!"

**Fiore:** "Darien!"

**Kisenian:** "Why don't you go after him? He's weak. Get rid of him!"

**Fiore:** "We're like brothers! We've shared the same pain. All I've hoped for was to be friends once more."

**Tuxedo Mask:** "I'm sorry, Fiore."

**Fiore:** "Goodbye, Darien. I hope you're happy with your choice."

**Sailor Venus:** "It's bare."

**Sailor Jupiter:** "The flowers vanished."

**Sailor Mercury:** "Earth is safe. We've foiled Kisenian's mission."

**Fiore:** "Ha-ha ha! I forgot to give you your parting gifts! Wouldn't want you to think I was rude! We've programmed the core of the planet to self-destruct on Earth. In a few minutes, you'll be on a crash course home...without enough power to teleport off this rock! Ha-ha ha!"

**Kisenian:** "And once we've landed, I'll suck the Earthlings dry in your memory, my faithful servant!"

**Sailor Moon:** "You'll do no such thing, Kisenian!"

**Sailor Venus:** "NOT THAT!"

**Sailor Mars:** "DON'T DO IT, SAILOR MOON!"

**Sailor Jupiter:** "THE MOON CRYSTAL'S TOO POWERFUL!"

**Sailor Mercury:** "IT'LL TAKE ALL YOUR STRENGTH!"

**Tuxedo Mask:** "DON'T DO IT!"

**Sailor Moon:** "It's cool. Why have the Moon Crystal if I'm not supposed to use it? Don't worry. Everything'll be all right. Now, let's get home safe and sound. 'Kay?"

**Fiore:** "If you think you're going to change this planet's trajectory, you're wrong! Give me the Crystal!"

**Fiore:** "Ha-ha ha! Like candy from a baby!"

**Serena:** "I can make you better. Your heart is still pure. We can be friends, if you trust me."

**Fiore:** "You're lying!"

**Serena:** "Maybe you'll believe me if I show you how Darien became my friend."

-----  
**Young Darien:** "Who are you?"

**Young Serena:** "My name is Serena. Why are you crying?"

**Young Darien:** "Because my friend's leaving, and I'll never see him again...and...he's the only friend I've got."

**Young Serena:** "No he isn't... 'cause from now on, I'll be your friend, too. My mommy just had a baby boy today, and I got these roses for her."

**Young Serena:** "Here. It's a present."

**Young Darien:** "Thanks, Serena."

**Fiore:** "Darien's rose came from you! It was a token of YOUR friendship?"

**Fiore:** "The Crystal's changing!"

**Fiore:** "A flower!"

**Kisenian:** "Fiore, take the Moon Crystal and get rid of her!"

**Kisenian:** "Fiore! Ahhh!"

----- **(SONG CUE: The Power of Love)** -----

**Sailor Venus:** "Moon Princess!"

**Sailor Jupiter:** "Serenity!"

**Sailor Mars:** "Be Strong!"

**Sailor Mercury:** "We're with you!"

**Tuxedo Mask:** "My love..."

**Princess Serenity:** "Silver Crystal, protect us! In the name of the Moon..."

**Princess Serenity:** "...I ask you to help me save them! They are family to me! They are my loyal friends, and our Kingdom depends on them!"

**Sailor Venus:** "Come on! She needs our power!"

**Sailor Jupiter:** "Sailor Scouts, this is what it all comes down to!"

**Sailor Mars:** "Right! Serenity needs us!"

**Sailor Mercury:** "Together, we can win!"

-----  
**Serena:** "Hey bookworm!"

**Amy:** "Hmm?"

**Serena:** "Today, you're gonna do nothing except play!"

**Amy:** "Wow. I've never done that before."

-----  
**Sailor Mercury:** "This has to work!"

-----  
**Raye:** \*sighs\*

**Serena:** "You know, too many chores can be bad for you."

**Raye:** "Oh that must mean that you're in perfect health."

-----  
**Sailor Mars:** "We're here!"

-----  
**Serena:** "Wow! That bun looks so yummy!"

**Lita:** "Thank you, but aren't you scared of me?"

**Serena:** "Should I be?"

-----  
**Sailor Jupiter:** "Serenity!"

-----  
**Sailor Moon:** "I'm psyched! I've been waiting big time to meet you, Sailor V!"

**Sailor Venus:** "Well...thank you."

-----  
**Sailor Venus:** "We can do it!"

**Princess Serenity:** "My friends. I knew I could count on them, as always...and my prince, too. I can feel their strength in the Crystal now. WE ARE PLANET POWER!"

**Sailor Mercury:** "MERCURY STAR POWER!"

**Sailor Mars:** "MARS STAR POWER!"

**Sailor Jupiter:** "JUPITER STAR POWER!"

**Sailor Venus:** "VENUS STAR POWER!"

**Princess Serenity:** "MOON CRYSTAL POWER!"

-----  
**Luna:** "I wonder how our Sailor Scouts are doing."

**Artemis:** "I couldn't bear it if anything happened to them."

**Rini:** "They're alright."

**Luna & Artemis:** "Huh?"

**Rini:** "They're protected by Moon Power, you guys. They'll get back safely."

**Luna:** "It's just taking so long, though."

-----  
**Sailor Mars:** "Wake up! Wake up, Sailor Moon! You did it! You stopped the planet! Oh, Sailor Moon! No! You said everything would be all right!"

**Sailor Mercury:** "The Moon Crystal used all her strength. We can't lose her!"

**Sailor Jupiter:** "Wake up! You can't leave us alone like this!"

**Sailor Venus:** "Don't go, Sailor Moon! You're the glue that holds all of us together!"

**Fiore:** "I made you a promise, Darien."

**Darien:** "Huh? Wha...? Fiore..."

**Fiore:** "You saved me. You and Sailor Moon delivered me from Kisenian's destructive grasp. Thanks to you, I'm still able to give you this... my life."

**Young Fiore:** "This is the Friendship Flower. It holds my life energy. Give its nectar to Sailor Moon."

**Sailor Moon:** "We saved Earth?"

**Tuxedo Mask:** "Yes."

**Sailor Moon:** "Thank you. Without you, I never could have held the Crystal until the very end. So, from now on, when I say it'll be all right, you'll believe me?"

**Tuxedo Mask:** "Yeah."

**Sailor Jupiter:** "We love you Sailor Moon!"

**Sailor Venus:** "I was so scared"

**Sailor Mercury:** "I'm so glad"

**Sailor Mars:** "oh! Sailor Moon"
