## ----- Opening Sequence -----

**Serena:** “Ho hoo. Mmm... certainly smells good. Let's see if they're done. OW! AH! What'd you do THAT for?! They need to be checked before they burn!”

**Rini:** “Get your hand away! You're a rotten cook! I trust the recipe book, not you!”

**Serena:** “You little witch!”

**Rini:** “Can ya blame me?!”

**Serena:** “Get out of my face!”

**Lita:** “Ha, ha. Let me have a look. Well, maybe a bit more. We just have to wait 'til they turn to a golden brown color.”

**Rini:** “See? I told ya.”

**Serena:** “Ooh!”

**Mina:** “My hand is going to fall off. This is way too hard to mix.”

**Lita:** “Mina, you put too much sugar in.”

**Mina:** “Hmm?”

**Lita:** “You have to put it in gradually; then, it won't be so hard. You guys are seriously not good cooks.”

**Mina:** “Oh thanks. You're right, Lita.”

**Raye:** “Hey, Mina, don't. There are hardly any chocolate chips left, and we need all we have, so stop chowing down.”

**Mina:** “But I can't stop eating them. Besides, someone should make sure they're fresh enough.”

**Artemis:** “She should be assigned to the cleanup crew instead.”

**Raye:** “But Serena already checked the first half of the bag for freshness. Hey, what are you doing, Amy?”

**Lita:** “What a neat idea. Looks great, Amy.”

**Mina:** “Where'd you learn to do that? That's really way cool.”

**Amy:** “I learned it from my mom when I was little.”

**Raye:** “Really? Your mom?”

**Amy:** “Yes...she was always too busy with her career to stay home full time...but she tried her best to be there, especially when we needed her the most: like after school and lessons. Boy, she must've been busy...but I remember; her cookies were the very best. They always seemed to cheer me up.”

**Rini:** “Ah...”

**Girls:** “Huh?”

**Lita:** “Hmm...3 o'clock Monday.”

**Luna:** “But it's Saturday today.”

**Serena:** “Yeah, it's Saturday.”

**Lita:** “Huh?”

**Serena:** “Why did you say Monday?”

**Lita:** “Ah yeh. It's just an old tradition.”

**Rini:** “What kind of tradition? Tell us.”

**Lita:** “It's no big deal, really. My mom always made cookies for us every Monday at 3 o'clock. She started doing that because...she thought that Monday was always the worst day of the week...as long as we had finished our homework and all of our little chores on the weekend, we could always count on having fresh, warm cookies to look forward to after school. Each kind she made was delicious. She made enough to last the week, but three o'clock Monday was the best day 'cause they were fresh. To this day, whenever I hear the clock strike three on Monday, I gotta have a cookie.”

**Rini:** "What a nice tradition."

**Lita:** "Yeah, and because I liked baking so much, she handed the tradition over to me."

**Amy:** "It's funny...how a simple thing like a cookie your mother made when you were little could cheer you right up. Sometimes, I wish I was little again."

**Rini:** "You're all lucky to have nice stories. I'm stuck with a meatball head mom from the future whose specialty is burnt anything, especially cookies."

**Serena:** "Ooh! OOH! Why you ungrateful little brat! I know just the kind of birthday cake to make for you!"

**Raye:** "Not like the other one"

**Mina:** "Yeah that was gross."

**Diana:** "It's nice to hear about childhood memories. Too bad cats don't bake cookies, but I have some good memories of tasting mice."

**Raye:** "Memories, shmemories! We should work towards future happiness!"

**Mina:** "I see the future, and I know we'll be very happy on Valentine's day once we can...bite into our own chocolate."

**Diana:** "Yeah, must be true, 'cause I saw you just now, and you did seem to be kind of happy when you were gobbling up those chocolate chips."

**Mina:** "Chocolate is amazing, Diana, and we're all gonna learn how to make our own from Lita."

**Serena:** "When it comes to making chocolates and sweets, Lita's a super genius."

**Lita:** "You're exaggerating, Serena."

**Diana:** "Didn't you guys once say that eating a lot of chocolate can be very fattening, hmm?"

**Girls & Cats:** "Huh?!"

**Diana:** "Meow?"

**Lita:** "Ha ha. You're right. It's never too good to have too much of anything, but small amounts are okay."

**Mina:** "Lita...you know we can't follow your advice when all that chocolate's in front of us. We'll eat it all."

**Lita:** "You're right."

**Serena:** "Look how beautiful and unburnt my cookies turned out! Yours are funny looking, JUST LIKE YOU! I'll bet mine taste better, too."

**Rini:** "Ooh...big mouth! Maybe mine aren't fancy and don't look perfect...but the proof will be in the taste, and I challenge you to take a bite of one of yours first and then try one of mine!"

**Serena:** "Well, now, I rise to your challenge."

**Girls:** "Huh?"

**Luna:** "Oh brother."

**Mina:** "Hey, you gotta try Rini's cookies. They're fantastic."

**Amy:** "You're right. They ARE good."

**Raye:** "This just proves that things that LOOK bad can be very sweet."

**Rini:** "You see? I told ya."

**Serena:** "You're so rotten to me. I'll bet...if I give some of my cookies to Darien, he'd love to eat them."

**Others:** "Huh?"

-----  
**Rini:** "It's obvious that my cookies are the best, and I'll be the big winner."

**Diana:** "Big winner?"

**Rini:** "Yeah, once Darien takes the cookies taste test, he's sure to choose mine. Huh? Oh..."

**Diana:** "What's the matter, Rini?"

**Rini:** "He looks normal enough. Where did his wings go? Hmm...hmm...hmm, this is so weird. I know what I saw."

**Boy:** "Hey, nice kitty. What's her name?"

**Rini:** "Her name is Diana."

**Boy:** "Well...nice to meet you, Diana. Ha ha hey, stop it! You're tickling me!"

**Rini:** "Uh...hey, what are you doing here? Are you waiting for someone?"

**Mother:** "I'm glad you like it, sweetie."

**Girl:** "I can't wait to open it up and try some mummy, it looks so good."

**Mother:** "I know"

**Boy:** "I'm just watching people go in and out of the candy store. They look happier when they come out of the store."

**Rini:** "Of course they do. Sweets cheer people up all the time."

**Boy:** "Yep, this looks like a nice town. All mothers seem to be so kind."

**Rini:** "I know of at least one exception."

**Boy:** "Huh?"

**Rini:** "My mom isn't like that at all. She's a clumsy and careless crybaby, and she sometimes takes candy away from me so she can eat it herself...but that's okay, 'cause I take candy from her stash when she's not around."

**Boy:** "You're a sweet, interesting kid."

**Rini:** "Huh?"

**Boy:** "I like it here. It really is a nice place to live. Even all the candies look happy."

**Rini:** "What do you mean? How do you know how candies feel?"

**Boy:** "Look at them. They look so happy sitting in the window; they might even start to dance."

**Rini:** "Oh... I can't really tell if they're happy or not. They only look delicious to me."

**Boy:** "Huh?"

**Rini:** "Wow. I am Rini."

**Boy:** "Uh... umm"

**Peruru:** "Oh... my name is Peruru."

**Rini:** "Oh, Peruru?"

-----  
**Darien:** "Yes?"

**Serena:** "Courier service, bringing you a package filled with lots of love. I know that disrespectful little blob is in here somewhere."

**Darien:** "Let me guess. You mean Rini. She's not even here today, Serena. Why you so down on her?"

**Serena:** "She's incredibly rude to me and has no respect! Oh, Darien... When did you...?"

**Darien:** "Huh?"

**Serena:** "...buy this purple shirt?"

**Darien:** "This shirt?" I think it was with Rini on a recent shopping trip to the mall."

**Serena:** "Darien... Tell me something, and I want you to be totally honest. Who do you like better? Me, or that conniving little wretch Rini?"

**Darien:** "Huh?!"

**Serena:** "I need to know! Tell me the truth! Who do you like better?!"

**Darien:** "What do you mean?"

**Serena:** "So you can't answer me, then? I knew it. He's always liked Rini better than me. I thought cookies were supposed to cheer him up, but my homemade cookies are doing the opposite, they're making me completely miserable."

**Darien:** "Hey, you brought cookies! Great, I'll make some cocoa."

**News Reporter:** "In the world today, there have been alarming reports of children mysteriously disappearing at night in various countries around the world. So far, reports from 43 cities in 27 countries, all with the same story, have not yet indicated any recoveries. No other information is available at this time, but we will be updating our reports as new information comes in."

**Darien & Serena:** "Hmm?"

-----  
**Rini:** "For you."

**Peruru:** "What are they?"

**Rini:** "My homemade cookies."

**Peruru:** "Oh..."

**Rini:** "I know they don't look all that great. I suppose I get bad marks for the way they look, but the taste is amazing, and they taste way better than my mom's horrible cardboard cookies!"

**Peruru:** "For me?"

**Rini:** "Huh? Gotta go now! See you again! Bye!"

-----  
**Diana:** "Serena...Serena..."

**Serena:** "Oh Darien, I love you..."

**Diana:** "Oh brother. Serena, WILL YOU WAKE UP!"

**Serena:** "OH!"

-----  
**Serena:** "I wonder where she could be going."

**Luna:** "Serena!"

**Serena:** "Huh? Oh hi, glad you're here. Look at Rini. She looks like a robot walking in her sleep."

**Artemis:** "She's not the only one."

**Serena:** "Huh?"

**Mina:** "Look! Over there!"

**Serena:** "OH! WHAT'S HAPPENING?!"

**Amy:** "Looks like all the kids are being controlled by something and heading towards one place."

**Mina:** "Do you think it's possible they're playing some kind of new game?"

**Raye:** "Not at all."

**Amy:** "I heard on the news today that there are lots of children mysteriously disappearing from many countries all over the world."

**Lita:** "Oh no! That must be what's happening here!"

**Raye:** "Hey, do you hear some sort of musical instrument playing a tune?"

**Serena:** "An instrument?"

**Amy:** "The instrument's a pipe, and it's emitting strange energy while it's played."

**Raye:** "Well let's follow them and see where it's coming from."

**Diana:** "Look at that! What do you think it is?"

**Artemis:** "Something sinister is happening."

**Luna:** "Anyway, we better stop all those children before they leave."

**Serena:** "Rini, come on!"

**Rini:** "Let me go. Let me go."

**Diana:** "Listen, Rini, you must wake up."

**Serena:** "I guess I have no choice."

**Rini:** "Ow! What are you doing, Serena?! Huh? Where are we?"

**Serena:** "Huh? Don't you remember anything about tonight, Rini?"

**Lita:** "Stop! Everybody go home!"

**Mina:** "No! Don't go in there!"

**Lita:** "No!"

**Raye:** "Stop Snap out of it!"

**Mina:** "Wake up!"

**Raye:** "Everybody go home!"

**Boy:** "Let go. We have to go to the Land of Sweets now."

**Amy:** "Wake up, everybody!"

**Pupulan:** "Can I help you?"

**Raye:** "Tell us who you are!"

**Pupulan:** "Tell me why you're interrupting this innocent procession to happiness. They've come of their own free will."

**Mina:** "Do you call the act of kidnapping children innocent?!"

**Lita:** "We won't let you get away with this, you psycho!"

**Pupulan:** "Ha ha ha. Why can't things ever go smoothly, huh? *CANDY WRAPPERS!*"

**Serena:** "What is that?"

**Rini:** "It's a candy."

**Serena:** "Huh?"

**Rini:** "Eeeeeek!"

**Serena:** "Evil candies?!"

**Pupulan:** "Go, Bonbon Babies!"

**Lita:** "Argh! Get off of me, lard-o!"

**Rini:** "Help!"

**Serena:** "Oh!"

**Rini:** "Go away!"

**Serena:** "Rini, get rid of them!"

**Rini:** "What should I do?! YOU should be protecting ME!"

**Serena:** "Protecting You?! YOU caused this!"

**Rini:** "Leave us alone!"

**Luna:** "Everyone, let's transform!"

**Amy:** "*MERCURY CRYSTAL POWER!*"

**Lita:** "*JUPITER CRYSTAL POWER!*"

**Raye:** "*MARS CRYSTAL POWER!*"

**Mina:** "*VENUS CRYSTAL POWER!*"

**Sailor Venus:** "*VENUS LOVE AND BEAUTY SHOCK!*"

**Serena & Rini:** "*SUPER MOON CRISIS POWER!*"

**Sailor Moon:** "*MOON TIARA MAGIC!*"

**Sailor Mercury:** "*MERCURY BLAST!*"

**Sailor Mars:** "...*FLASH!*"

**Sailor Jupiter:** "...*THUNDER!*"

**Pupulan:** "Why you! WHO ARE YOU?!"

**Sailor Moon:** "I've been waiting for you to ask. You're kidnapping children with your evil tunes! Children are our biggest treasures, and we will never let you take them from us! On behalf of love...!"

**Sailor Mini Moon:** "...and on behalf of justice!"

**Sailor Moon:** "I am Sailor Moon!"

**Sailor Mini Moon:** "And I am Sailor Mini Moon!"

**Sailor Moon:** "And in the name of the Moon..."

**Moon & Mini Moon:** "We shall punish you!"

**Sailor Mars:** "We're also here to punish you!"

**Sailor Scouts:** "We're the Sailor Scouts!"

**Pupulan:** "Heh. Big deal."

**Sailor Scouts:** "What's going on? What's this?"

**Sailor Venus:** "Huh?"

**Sailor Jupiter:** "What is this?"

**Sailor Mercury:** "I wonder where that wonderful, sweet smell is coming from."

**Sailor Mini Moon:** "From that house over there!"

**Sailor Mars:** "Oh, look at that! It's a gingerbread house!"

**Luna:** "Sailor Moon! Be careful!"

**Diana:** "Oh no. What's happening to them?"

**Artemis:** "They're being fooled. They're seeing an illusion created by the sound of the pipe."

**Sailor Scouts:** "Wow..."

**Sailor Jupiter:** "All right. Get out of my way. Hurry up."

**Sailor Venus:** "Hurry, hurry."

**Sailor Jupiter:** "Oh I'm starved. Okay lets chow"

**Sailor Venus:** "Hey, you guys, how come you're all so small? You look like little kids."

**Sailor Jupiter:** "But you're the same as us."

**Sailor Mini Moon:** "Hey, that's right. You're all my size now."

**Sailor Moon:** "Oh, hey look at this. Hoo hoo! Oh, this looks yummy."

**Pupulan:** "AH!"

**Sailor Moon:** "Huh?"

**Pupulan:** "Huh?"

**Moon & Mini Moon:** "Hooray for Tuxedo Mask!"

**Tuxedo Mask:** "Don't bite into the donut, Sailor Moon. It's dangerous."

**Pupulan:** "So? You won't stop me!"

**Sailor Moon:** "Oh no! Tuxedo Mask!"

**Sailor Scouts:** "Look out!"

**Peruru:** "Stop it right this minute!"

**Sailor Venus:** "Who is that?".

**Sailor Mini Moon:** "Peruru..."

**Pupulan:** "Peruru, why do you stop me?!"

**Peruru:** "But Pupulan, why are you being so violent?! I don't understand what you're doing!"

**Badiyanu:** "Pupulan, what's going on?!"

**Pupulan:** "Yes, Badiyanu."

**Badiyanu:** "Is anything wrong? I won't accept any delay in our plan."

**Pupulan:** "Yes...but Peruru is trying to stop me from executing the plan."

**Peruru:** "I'm trying to stop him because...I don't agree with his methods. He's gathering children using violence."

**Pupulan:** "I'd be silent if I were you!"

**Peruru:** "No, I won't be silent at all. Badiyanu, I can't trust in you anymore!"  
**Pupulan:** "Badiyanu's intentions are good! She wants the children to have eternal happiness!"  
**Peruru:** "I don't believe you at all."  
**Sailor Mini Moon:** "Peruru..."  
**Badiyanu:** "Well...it looks like you and this little girl know each other. Is it true, Peruru?"  
**Peruru:** "No! She has nothing to do with me!"  
**Badiyanu:** "Good. Follow my orders!"  
**Peruru:** "Badiyanu!"  
**Badiyanu:** "You must bring that small girl together with the other children."  
**Pupulan:** "Yes, of course."  
**Peruru:** "Badiyanu!"  
**Sailor Jupiter:** "Get ready to fight again!"  
**Pupulan:** "Okay, Bonbon Babies, go!"  
**Peruru:** "No, Pupulan!"  
**Sailor Jupiter:** "*JUPITER OAK EVOLUTION!*"  
**Sailor Mercury:** "*MERCURY AQUA RHAPSODY!*"  
**Sailor Moon:** "Oh no! TUXEDO MASK!"  
**Sailor Mars:** "Oh no!"  
**Sailor Venus:** "Mini Moon!"  
**Sailor Jupiter:** "NO!"  
**Sailor Moon:** "Mini Moon! Mini Moon! RINI! RINI!"  
**Sailor Mini Moon:** "HELP! HELP ME! NO! MAMA...!"  
**Sailor Venus:** "Stop! That's far enough!"  
**Sailor Mars:** "Okay, kid! Tell us who you are!"

-----  
**Badiyanu:** "Welcome, children."  
**Sailor Mini Moon:** "Where am I? What is this awful place? Who's in charge?!"  
**Badiyanu:** "So it was you who led Peruru astray?"  
**Badiyanu:** "Strange. I feel mysterious energy. How would you like to get into the Dream Box? You must be tired after your journey. Soon, you will. This planet will eventually be absorbed into my Black Dream Hole, located in the center of this castle. My wonderful Black Dream Hole is consuming dream energy from children. The more children there are, the larger the Dream Hole will be. Once it reaches a certain size...it will be large enough to swallow your silly planet! All the ridiculous people of Earth will end up living in one of my peaceful Dream Boxes. Ah, yes, a lovely little dream I've had for a long time."  
**Sailor Mini Moon:** "Get a grip on reality, lady! Your dream will always remain just a dream! It will never work with Earth!"  
**Badiyanu:** "Oh? Why do you think that, little girl?"  
**Sailor Mini Moon:** "I know it because the Earth has Sailor Moon and the Sailor Scouts!"

-----  
**Artemis:** "This storm...is very strange looking."  
**Luna:** "Darien seems to be okay...but...he still needs to rest."  
**Darien:** "Serena..."  
**Serena:** "Yes, Darien?"  
**Darien:** "Is Rini okay?"  
**Serena:** "Yes, she's okay."  
**Serena:** "That spirited kid. She's always all right."  
**Peruru:** "We really must get going now."

-----  
**Peruru:** "I'm worried. Once someone is thrown into the Black Dream Hole, it's impossible to save them, and I'm scared for Rini."  
**Sailor Mars:** "What's the Black Dream Hole?"  
**Peruru:** "It's a place of eternal sleep."  
**Sailor Venus:** "I wonder if he's leading us into a trap, too. What do you think?"  
**Sailor Jupiter:** "We have no choice but to trust him."  
**Sailor Moon:** "Hey...Rini must've given you those cookies."  
**Peruru:** "She did. We're approaching now. We have to move into the clouds quickly."  
**Badiyanu:** "I would like all of the children to follow me to the Dream World, and don't worry. Everyone will be safe and happy in their own dream. Fairies, please assist me now."  
**Rini:** "Gotta go now. See ya again! Bye!"  
**Peruru:** "Huh?"  
**Sailor Moon:** "Hurry, are we almost there?"  
**Peruru:** "Almost."  
**Sailor Mars:** "Hey, I'm sensing some powerful, sinister force here."  
**Sailor Jupiter:** "But..."  
**Sailor Venus:** "We can't see anything."  
**Sailor Jupiter:** "Look!"  
**Peruru:** "There it is. That's the Dream Castle. All the kidnapped children are taken there."  
**Sailor Moon:** "Looks pretty bad, guys. Still not too late to turn back."  
**Peruru:** "AH!"  
**Sailor Mercury:** "A Cannon!"  
**Fairy #1:** "Cannonball loaded."  
**Fairy #2:** "Cannonball loading."  
**Fairy #1:** "Cannonball ready."  
**Fairy #2:** "Don't forget. Peruru is on board."

**Pupulan:** "FIRE!"  
**Sailor Mercury:** "*SHINE AQUA ILLUSION!*"  
**Sailor Jupiter:** "Good one, Sailor Mercury!"  
**Sailor Venus:** "Oh no! We're gonna crash!"  
**Sailor Mars:** "I'm okay."  
**Sailor Jupiter:** "Me, too."  
**Sailor Venus:** "You okay?"  
**Sailor Mercury:** "I'm fine."  
**Pupulan:** "I'm surprised to see you, Peruru."  
**Peruru:** "Heh."  
**Pupulan:** "Why did you bring those girls to the castle?"  
**Peruru:** "To stop you and Badiyanu!"  
**Sailor Moon:** "Listen here! Let Rini and the others go!"  
**Pupulan:** "Rini, huh? But I don't think so. Badiyanu has a strong interest in her."  
**Fairy #1:** "Yes, she's the little upstart who has ideal energy to add to the Black Dream Hole."  
**Peruru:** "You can't do this! What have you become?!"  
**Pupulan:** "Hah, foolish boy, you should never have come back. You must be careful. They all have mysterious powers they'll use against us."  
**Other Fairies:** "Okay."  
**Pupulan:** "*CANDY WRAPPERS!*"  
**Sailor Jupiter:** "*SUPREME THUNDER CRASH!*"  
**Sailor Venus:** "*VENUS LOVE CHAIN ENCIRCLE!*"  
**Fairy #1:** "The black energy in the Dream Hole is getting stronger, and so are we. There's no use. You must surrender."  
**Pupulan:** "I'm afraid your puny little powers are no match!"  
**Sailor Jupiter:** "Look, there's nowhere to go!"  
**Sailor Mars:** "Oh no!"  
**Sailor Venus:** "Here they come!"  
**Sailor Mars:** "Hold on!"  
**Sailor Jupiter:** "There are too many"  
**Sailor Moon:** "Yes! Could it be?!"  
**Fairies:** "Huh?!"  
**Sailor Uranus:** "Too much candy can make you sick. I'm Sailor Uranus, the flying warrior, protected by planet Uranus!"  
**Sailor Neptune:** "It's our turn to give these candies cavities. I'm Sailor Neptune, protected by the planet Neptune!"  
**Sailor Pluto:** "Rotten candies must be discarded. I'm Sailor Pluto, the evolution warrior, protected by planet Pluto!"  
**Sailor Uranus:** "We're here to help our friends!"  
**Sailor Neptune:** "Together, we're a mighty force!"  
**Outer Scouts:** "And we will punish you!"  
**Sailor Moon:** "Sailor Uranus! Neptune!"  
**Sailor Mars:** "Sailor Pluto!"  
**Sailor Pluto:** "*PLUTO DEADLY SCREAM!*"  
**Sailor Mercury:** "We're sure glad you're here."  
**Sailor Uranus:** "You can always count on us when there's trouble. Their Black Dream Hole is really growing."  
**Sailor Pluto:** "Sailor Moon, Rini's in serious danger right now, isn't she?"  
**Pupulan:** "They've got reinforcements! How did you find our totally invisible and unknown castle, in the middle of space?"  
**Sailor Neptune:** "What a fool, to think you can beat Sailor power and my magic mirror."  
**Sailor Neptune:** "*SUBMARINE REFLECTION!*"  
**Sailor Uranus:** "*SPACE SWORD BLASTER!*"  
**Sailor Uranus:** "Yes!"  
**Bananu:** "How'd she do that?!"  
**Sailor Mars:** "I'll give it a try now! *MARS FLAME SNIPER!*"  
**Pupulan:** "WHY YOU...!"  
**Sailor Uranus:** "Listen here, you clown! What are you doing with the children?!"  
**Pupulan:** "We-we're just let them stay ch-children forever here! What's the big deal?! HOW CAN THAT BE WRONG?!"  
**Pupulan:** "BADIYANU...!"  
**Sailor Uranus:** "Stay children forever, huh?"  
**Sailor Neptune:** "I think it's a silly idea. Life is full of wonderful experiences: from the beginning to the end."  
**Peruru:** "My gondola seems okay. Let's get going."  
**Sailor Jupiter:** "Yeah, let's find this Black Dream Hole and end this nightmare!"  
**Sailor Pluto:** "Sailor Moon, can we trust this boy?"  
**Sailor Moon:** "Yeah, he's okay. He's a friend of Rini's. Is that right?"  
**Peruru:** "*I hope I'm doing the right thing.*"  
**Sailor Pluto:** "I have a bad feeling about this."  
**Badiyanu:** "This is a sanctuary. You're not allowed past this point!"  
**Sailor Venus:** "You tell us where Rini and all the other children are!"  
**Badiyanu:** "They're resting peacefully beneath you."  
**Sailor Moon:** "Huh? What?! The children?!"  
**Sailor Mars:** "Oh no!"  
**Peruru:** "Set them all free right now, you evil, sick cow! AAH!"  
**Badiyanu:** "Such a foolish little boy. I'm merely trying to make all of your wonderful dreams come true, Peruru. In my dream world, everything is sweet and happy: the way life should be."  
**Peruru:** "No one can be truly happy here: not in this fake make-believe world."  
**Badiyanu:** "Hmm..."

**Peruru:** "I want to protect the world where children can grow up normally with family and friends THE WAY LIFE'S SUPOSED TO BE!"

**Badiyanu:** "I suppose this fluffy-headed little girl gave you this idea, hmm?"

**Sailor Mini Moon:** "Hey, where am I?"

**Sailor Moon:** "Rini!"

**Sailor Pluto:** "It's Rini!"

**Sailor Mini Moon:** "Hi, Sailor Moon". *\*Sailor Moon...\**

**Sailor Moon:** *"\*Oh, I'm glad she's okay.\*"*

**Sailor Mini Moon:** "You're late!"

**Sailor Moon:** "Sorry, kiddo."

**Sailor Mars:** "This can't be good!"

**Sailor Uranus:** "This is our wake-up call, Sailor Scouts!"

**Sailor Mercury:** "Is that the Black Dream Hole, Peruru?"

**Badiyanu:** "Good guess! It feeds on children's sweet dream energy and grows larger and larger. And now..."

**Peruru:** "STOP THAT!"

**Sailor Moon:** "No! Rini! NO!"

**Sailor Mars:** *"MARS FIRE FLASH!"*

**Sailor Mercury:** "Oh no! She's protected by barriers of some kind!"

**Badiyanu:** "Ah ha ha ha! This puny troublesome girl's exquisite energy can feed the Black Dream Hole. Her energy alone can make the difference!"

**Sailor Venus:** "We have to do something!"

**Sailor Mercury:** "It'll swallow everything!"

**Sailor Uranus:** "It's growing too big!"

**Badiyanu:** "Oh...now what childish thing are you doing?"

**Peruru:** "Our good emotional energy is able to move this gondola, and maybe we can break through her barrier."

**Sailor Moon:** "Smart thinking. Let's go."

**Badiyanu:** "Your pathetic little gondola cannot possibly penetrate my barrier."

**Sailor Uranus:** "Enough! Let's get together and help Sailor Moon!"

**Badiyanu:** "Ha ha ha...huh?!"

**Sailor Venus:** "Sailor Moon!"

**Sailor Jupiter:** "Sailor Moon!"

**Sailor Moon:** "Give Rini back right now!"

**Badiyanu:** "Sorry, Goldilocks, but my Black Dream Hole, well...it needs all this little girl's Sugar Energy! I'll never give her back!"

**Sailor Mercury:** "SAILOR MOON!"

**Sailor Mars:** "LOOK OUT!"

**Peruru:** "Hang on!"

**Sailor Moon:** "Rini!"

**Sailor Mercury:** "No! They can't go into the Black Hole!"

**Sailor Venus:** "They'll be killed for sure!"

**Sailor Moon:** "GIVE HER BACK RIGHT NOW!"

**Badiyanu:** "FORGET IT!"

**Peruru:** "If you come any closer to us...you'll be absorbed in the Hole, too!"

**Badiyanu:** "Not likely. The Black Dream Hole is a part of me, and I'm a part of the Dream Hole!"

**Peruru:** "You are?!"

**Badiyanu:** "Once all of this girl's special energy is consumed, I'll have enough sweet energy to swallow this planet of yours!"

**Peruru:** "NO WAY! YOU CAN'T DO THIS!"

**Rini:** "Peruru! Sailor Moon!"

**Peruru:** "Aah!"

**Sailor Moon:** "Rini!"

**Sailor Mini Moon:** "Help!"

**Sailor Moon:** "No! Rini!"

**Sailor Neptune:** "Sailor Moon!"

**Sailor Mars:** "Sailor Moon!"

**Peruru:** "AAH!"

**Sailor Moon:** "RINI!"

**Amy:** "My transformation isn't..."

**Lita:** "Mine's turning back!"

**Mina:** "SAILOR MOON!"

**Rini:** *"...one of yours first and then try one of mine!"*

**Peruru:** "Sailor Moon..."

**Sailor Moon:** "This is Rini's special cookie that she made full of love. It'll enable us to become more powerful, and I'm gonna try some!" I can feel its sweet love."

**Peruru:** "Sailor Moon! Don't do it! Once you go into the Dream Hole, you can never come out again! SAILOR MOON!"

-----  
**Badiyanu:** "Ah ha ha ha! You stupid little fool girl! You'll never, ever get out of here now!"

**Sailor Moon:** "Oh, Rini! Wake up. Wake up. Rini..."

**Badiyanu:** "Don't wake her up. She's had a big day and needs her rest."

-----  
**Darien:** "Serena? Why are you here?"

**Sailor Moon:** "Darien...can this really be your bedroom?"

**Darien:** "Of course it is."

**Sailor Moon:** "Darren... are you sure you're feeling all right?"

**Darrien:** "I'm feeling much better thanks to my Serena."

**Sailor Moon:** "I'm so relieved. Darren, I can't seem to wake Rini up, at all."

**Darrien:** "Don't worry."

**Sailor Moon:** "Rini? Darren?"

**Darrien:** "She's okay now. Let her have a good sleep here. She's probably having a nice, peaceful dream. We shouldn't disturb her. We can live together in complete happiness... without any problems at all and other people to bother us."

**Sailor Moon:** "But Darren, we can't possibly forget all the children and our friends. They're in danger."

**Darrien:** "I really don't care about any other people, Serena. I'll be happy as long as you're with me, Serena."

**Sailor Moon:** "Oh Darren..."

**Darrien:** "Hmm?"

**Sailor Moon:** "Say...who do you like better? Me or Rini? And please tell the truth, okay?"

**Darrien:** "You, of course. I love you the very best in the entire world, Serena. You're the only one I ever think about and the only woman that I'll ever have in my life."

**Sailor Moon:** "Uh, Darren..."

**Darrien:** "Hmm?"

**Sailor Moon:** "Even in a dream, you're just too good to be true."

**Darrien:** "Huh?"

**Sailor Moon:** "*MOON CRISIS POWER!*"

-----  
**Badiyanu:** "You broke your Dream Box! Why do a fool thing like leave your happy dream?!"

**Sailor Moon:** "OH!"

**Badiyanu:** "Sailor Moon, what are you doing?! You must give up the little girl NOW! And then, you can go back to your happy and peaceful dream. Otherwise, you'll end up losing EVERYTHING, only to live in an eternal nightmare!" Think! Think about this carefully. Think about yourself. If everyone only thought about themselves in their dreams, no one would ever be hurt. It's an uncomplicated, happy existence. I'm feeding the Black Dream Hole for all of you!"

**Amy:** "*...a simple thing like a cookie your mother made when you were little could cheer you right up.*"

**Raye:** "*Memories, shmemories! We should work towards future happiness!*"

**Lita:** "*To this very day, when I hear the clock strike three on Monday, I gotta have a cookie.*"

**Mina:** "*I see the future, and I know we'll be very happy on Valentine's Day.*"

**Sailor Moon:** "Aha..."

**Badiyanu:** "WHAT?!"

**Amara:** "What's that light?!"

**Michelle:** "It's Sailor Moon!"

**Trista:** "The princess!"

**Badiyanu:** "What is that annoying blinking light?!"

**Sailor Mars:** "It's Sailor Moon!"

**Sailor Venus:** "Way to go, Sailor Moon!"

**Badiyanu:** "Listen to me, Sailor Moon! You better hand over that little wretch! She has just the right energy I need to devour your planet!"

**Sailor Moon:** "NO!"

**Badiyanu:** "Well...I'll destroy you both then, you foolish girl! AH-HA-HA-HA!"

**Sailor Moon:** "*I won't give up. Sailor Scouts, listen please! Please...give me your powers...*"

**Other Scouts:** "Let's do it, Sailor Scouts!"

**Sailor Pluto:** "Sailor Moon..."

**Neptune and Uranus:** "Sailor Moon..."

**Jupiter and Venus:** "Sailor Moon..."

**Mars and Mercury:** "Sailor Moon..."

**Badiyanu:** "Grrr! What's this?!"

**Sailor Moon:** "Let's go!"

**Sailor Mini Moon:** "Right."

**Moon & Mini Moon:** "*MOON GORGEOUS MEDITATION!*"

**Peruru:** "Sailor Moon! I can't believe you broke through the Black Dream Hole!"

**Badiyanu:** "AAAAH...!"

**Sailor Venus:** "It worked!"

**Sailor Jupiter:** "The children are free!"

**Moon & Mini Moon:** "Huh?"

-----  
**Peruru:** "Uh..."

**Sailor Mini Moon:** "Huh?"

**Peruru:** "I'd like you to have this pipe."

**Sailor Mini Moon:** "Are you leaving?"

**Peruru:** "Not really. Because I'm a dream elf who protects children while they're sleeping, you can be sure I'll always be with you in your dreams, Rini, and you'll always be in my dreams. I'll miss you, Rini."

**Sailor Mini Moon:** "I'll never forget you."

**Peruru:** "Uh, thank you for the cookies. Say hi to Diana for me."

**Sailor Mini Moon:** "Bye-bye, Peruru! Sweet dreams! Huh?"

**Sailor Moon:** "Oh...hmm..."
